Subject: Veteran Resource Inquiry

Hi,

I came across the VVA 432 website while looking to build relationships in the veterans health community.

We are an advocacy group working to assist in filing VA claims, find local doctors and medical treatment, as well as host a support group that is held monthly. We have on-staff VA-accredited claims agents, who are a great resource for those looking to receive the benefits that they deserve.

Please feel free to review our information at mesotheliomaprognosis.com.

I believe that our website would complement the valuable resources listed on your site at vva432.org/links.htm.

Thank you for your time and consideration. I am looking forward to hearing back from you.

Best regards,

Jasmine McCarthy
