Graduates Review Board

Name: **Wallace, Michael**

Service: Navy

VTC Grad: 01/09/2015

VTC Experience:

“As a Justice Involved Veteran, it was difficult to adjust. At first I felt that Veterans Treatment Court was B.S. but as I progressed, I realized how much everyone actually cared. During Veterans Court, I received so much help and support for all the issues I was facing. Since graduating, I have missed the camaraderie and look forward to being involved as a speaker or a mentor to my fellow Veterans.”

– Michael Wallace

Judge K's Corner

“Always remember, your service did not stop when you were discharged or graduated from Veterans Treatment Court. Your service is always needed to help your brothers-in-arms and your community. I want to see you achieve far beyond your military service!”

– Judge Kalauli
